ABOUT | I grew up in San Francisco and entered the design world by interning at Ken Fulk Inc. in 2013. I have been in the industry since 2013 studying, interning, and working full-time.

EXPERIENCE | **MID-SENIOR DESIGNER** Studio Collective, Los Angeles
January 2024 - March 2025

- Manage budgeting, ordering, expediting, and scheduling for commercial interior design projects
- Create and track purchase orders as needed
- Overlook design team deliverables with project presentations
- Act as studio's liaison with vendors and contractors
- Communicate clearly and frequently with project team, clients, consultants, vendors and contractors

| **PROJECT DESIGNER**, De la Cruz Interior Design, San Francisco
May 2022 - August 2023

- Collaborate from design concept through complete installation
- Review shop drawings and approve submittals
- Coordinate with contractors and architects from permitting to construction
- Create full-set construction drawings on AutoCAD
- Build 3-D models using SketchUp
- Generate spec sheets and schedules in Studio Webware

| **DESIGNER** Tisdale Design, Pacifica
June 2020 - February 2022

- Create full-set construction drawings on AutoCAD submitting to the city
- Build 3-D models using SketchUp and Renderings in V-ray
- Researched and sourced materials
- Generate Excel worksheets and FF&E schedules

| **PROJECT ENGINEER**, Ariel Fox Design, Sherman Oaks
December 2018 - February 2020

- Create workorders for custom items on using CAD, InDesign, Sketchup, and Photoshop
- Manage custom fabricators through entire design process
- Research and sourced materials within budget constraints
- Regularly made visit to fabricator's workshop to inspect custom items
- Maintain vendor and fabricator relationship
- Coordinate with contractors onsite regarding custom items
- Job site supervision and managed moving crew on install days
